Greetings,

We hope that you're doing well and staying warm as we close the door on February with the [March 2017 edition of the Hot SHEET](#).

Thank you to everyone who took the time and made the effort to nominate someone for the **Edward C. Kaps Hope Award**. We were overwhelmed by the number of award nominations for many amazing people, which made the selection process especially challenging.

We thank all support group leaders and volunteers across the country who are doing important and purposeful work by providing education and support for their local prostate cancer communities. **And we congratulate the following recipients of the 2017 Edward C. Kaps Hope Awards!**

- **Jeffrey Albaugh**, PhD, APN - Evanston, IL
- **Patrick DiMeo** - Columbus, OH
- **Michael Gordon** - Enumclaw, WA
- **Kathie Houchens** - Columbus, OH
- **Jim O'Hara** - Fayetteville, GA
- **Bill Palos** - Moline, IL

For more information on the **Hope Award winners and details on the Hope Award presentation** visit the [Us TOO website](#) and click on the Hope Awards banner.

If you've been diagnosed with early-stage prostate cancer that has not spread to other parts of the body, you may be eligible to enroll in the **Prosper or Embark clinical trials**. [CLICK HERE](#) for more information.

And if you or someone you know will be in southern Florida on Saturday, March 4th, plan to attend:
