Greetings,

Knowledge is power. In recognition of June being Men's Health Awareness Month, please help Us TOO empower men and their loved ones with the knowledge and support they need to be informed about all aspects of prostate cancer.

Thanks in part to donors like you, and hundreds of amazing volunteers across the country, Us TOO is able to provide the following educational resources and support services to the prostate cancer community at no charge:

- More than 200 volunteer-led prostate cancer support groups in the U.S. and abroad
- Hot SHEET prostate cancer newsletter (available online and in print)
- Prostate cancer News You Can Use (monthly digital distribution)
- Prostate cancer Inspire support & discussion online community
- Prostate Pointers email exchange
- Educational website (<http://www.ustoo.org/>)
- Educational materials (online and in print)
- Educational events such as [Prostate Cancer Community Conversations](#)
- Toll-free prostate cancer helpline with option to connect callers with similar survivors for peer-to-peer conversations (800-808-7866)

Together, we can do even more to help address unmet needs and underserved challenges in the prostate cancer community specific to education and support. But we need your help.

Please donate now.

Thank you,

Chuck & the Us TOO Team

June is Men's Health Awareness Month

Help Us TOO

provide the information and support men need to make smart decisions about prostate cancer.

- Prostate cancer has no symptoms until the disease is advanced.
- 30,000 men in the U.S. die from prostate cancer every year.
- If detected early, prostate cancer can be cured or treated effectively.
- There are more than 2 million men in the U.S. living today with prostate cancer.
- That number is estimated to double to 4 million men over the next 8 years as baby boomers age.
- Every one of those men and his loved ones will need information to make smart choices.

Want all men to be informed about prostate cancer? Us TOO!

DONATE NOW to help Us TOO help those battling prostate cancer by empowering them with knowledge at no charge. Your donation funds the free prostate cancer educational resources and support services provided by Us TOO.
