Greetings!

We're pleased to provide you with the [April issue of the Hot SHEET](#) and hope that you're doing well.

It's hard to believe that we're already wrapping up the first quarter of 2016 and I'm approaching [my retirement from Us TOO on March 31](#) after 11 years as president & CEO. At a meeting earlier this month, the Us TOO Board of Directors announced that Chuck Strand will succeed me as CEO. Chuck has served in various capacities with this organization over the past six years, including his current position as director of marketing and communications. Given his experience, dedication and impact on the organization, the Board and I are confident that Chuck is the right person to lead Us TOO into the future.

If you plan to be near Orlando on April 9, please join Us TOO for a [Community Conversation on Prostate Cancer](#) at La Hacienda Center, 1200 Avenida Central, at The Villages, FL. The fifth event in the series and first event of this year, the educational agenda will address the importance of informed decision making for patients and caregivers specific to testing, active surveillance, and treatment options for all phases of prostate cancer from an initial diagnosis to management of advancing disease.

This one-day, free event will provide attendees with an overview on prostate cancer, physician presentations, educational materials, survivor stories, sponsor introductions and a complimentary lunch. Registration begins at 9:00 a.m. and the program is from 10:00 a.m. to 3:00 p.m. For early registration and to RSVP for FREE lunch, email Terri Likowski at terril@ustoo.org. And watch for details on [more Community Conversation events](#) scheduled for Columbus, OH; Austin, TX; and Detroit, MI.

We invite prostate cancer survivors and caregivers to participate in ["The Cancer Experience Registry: Prostate Cancer,"](#) an online community to share your voice, knowledge and insights about the social and emotional challenges encountered throughout the cancer journey. [CLICK HERE](#) to get more information and join.

As I close my final **Hot SHEET** letter, I'd like to **thank you** – the volunteers, support group leaders, corporate supporters, individual donors, board members, staff and prostate cancer community. It's been an honor to have led Us TOO for the past 11 years. I'm so proud of all that we've accomplished together providing hope and improving the lives of those affected by prostate cancer through support, education and advocacy.

My best to you,

 *and the staff*

Thomas Kirk, President & CEO
Jackie Konieczka, Office Manager
Terri Likowski, Chapter/Support Group Services Program Manager
Chuck Strand, Director of Marketing & Communications
Amy Woods, Director of Development & Fundraising
