Greetings,

I hope that you're doing well and enjoying the spring season!

We're pleased to provide you with the [April 2017 edition of the Hot SHEET newsletter](#). It's an ongoing collaborative effort and I'd like to thank all of our subscribers, along with Pfizer/Astellas for their corporate support; Dr. Moyad and Dr. Chodak for providing guest columns each month; our dedicated Hot SHEET mailing distribution volunteers Bob and Maurine Barinek and James Branch; and the Hot SHEET editorial staff.

On Friday, March 17, [USA Today included a special insert about Prostate and Urological Health](#). Terri Likowski, Us TOO Program Director - Support Group Services, and Ken Willmarth, Us TOO Support Group Leader from Modesto, CA, were featured in the article, ["What It's Like to be Part of a Prostate Cancer Support Group."](#) Feel free to post your comments or share your support group experience.

Be sure to also read ["How a Comedian Goes About Changing the Prostate Cancer Conversation."](#) It's an inspiring window into comedian and author, Stevie D., and how he has dealt with managing his prostate cancer.
