Greetings,

I hope that you're doing well as we move into the busy holiday season. It's hard to believe that we're already wrapping up 2016 with the [December issue of the Hot SHEET newsletter](#).

Earlier this month we launched a new web page with prostate cancer educational resources and support services specific to **military veterans and Agent Orange**. If you haven't already done so, please [CLICK HERE](#) to check it out and share the information with veterans who may benefit from the information.

Thank you to everyone who has responded to our invitation to participate in a [survey on anxiety and depression](#) relative to prostate cancer. The survey from Us TOO and CancerCare will help guide the **development of new educational materials and resources** and will remain open until November 30. Responses are anonymous, email addresses are not retained in connection to this survey, and it only takes about 10 minutes to complete.

We thank Nancy Peress for her work moderating **Prostate Pointers** for the last 20 years and wish her the best on her retirement. We invite Prostate Pointers participants to continue the online conversations of education and peer-to-peer support by **joining the Us TOO Inspire Prostate Cancer Online Discussion & Support Community** at: <http://www.ustoo.inspire.com/>.

New Clinical Trials:

- The **PROSPER clinical trial** is for patients with prostate cancer that has progressed on hormonal therapy but has not spread beyond the prostate. For details, visit <http://www.clinicaltrials.gov/> (Identifier **NCT02003924**).
- The **EMBARC clinical trial** is for men with a rising PSA after surgery and/or radiation whose prostate cancer has not spread to other parts of the body. For details, visit <http://www.clinicaltrials.gov/> (Identifier **NCT02319837**).

The Us TOO 800 HelpLine response team is **looking for volunteers who speak Spanish** to help translate or respond to Spanish-speaking callers. If you're interested please email ustoo@ustoo.org or call 1-800-808-7866.

We invite you to check out the latest [photos from the 12th Annual SEA Blue](#) Chicago Prostate Cancer Walk & Run. Thanks again to all walkers, runners, donors, sponsors, volunteers and staff who made the event a success.

As you begin your online holiday shopping please remember to **shop Amazon Smiles**. It provides all of the same merchandise that's found on Amazon and at the same price. Simply designate Us TOO International as your charity of choice and 0.5 percent of the value of all purchases will be donated to Us TOO. There's no limit to the amount Amazon Smile will donate. [CLICK HERE](#) for all of the

details.

Take care and please let us know how we can help you with prostate cancer educational resources and support services.

We wish you and your family and friends a very **Happy Thanksgiving!**

All the best,

Chuck & The Us TOO Team

Chuck Strand, Chief Executive Officer
Jackie Konieczka, Office Manager
Terri Likowski, Program Director - Support Group Services
Tim Mix, Communications Manager
Amy Woods, Director of Development

Please help fund the work
of Us TOO providing
educational resources
and support services
for the prostate cancer
community at no charge.
