Greetings,

We hope that our collaborative effort has been successful in helping to raise awareness for prostate cancer during September – Prostate Cancer Awareness Month. And it's not too late to continue the momentum by forwarding this email to others along with the [October 2016 issue of the Hot SHEET](#).

Remember to join the next [Us TOO Community Conversation on Prostate Cancer in Detroit on Saturday, September 24](#). [REGISTER HERE](#) to watch the live online broadcast for free if you're not able to attend in-person. It's a featured presentation at the Sixth Annual Men's Health Event. The conversation will focus on the importance of informed decision making for patients and caregivers specific to testing, active surveillance, treatment options for all phases of prostate cancer from initial diagnosis to advancing disease, and management of side effects. [CLICK HERE](#) for all of the details.

The 12th Annual SEA Blue Chicago Prostate Cancer Walk & Run in Lincoln Park on Sunday, September 11th was a success thanks to hundreds of walkers and runners along with sponsors, fundraisers, volunteers, event co-presenter UroPartners, and the Us TOO board and staff. In addition to honoring prostate cancer survivors as warriors and guardians of the next generation, local first responders were recognized and Ken Griffey Sr. shared his story as a baseball legend and prostate cancer survivor. There's still time to [DONATE NOW](#) through October 31st. Funds raised will help Us TOO provide educational resources and support services to the prostate cancer community at no charge.

Take care, enjoy the change of seasons, and watch for *Prostate Cancer News You Can Use* in a couple of weeks.

All the best,
