MAKING VALUE
Dear Friends of Us TOO:

Initiatives developed throughout 2014 continued to deliver on the objectives established in the strategic plan for 2013 and 2014. We maintained our focus on maximizing the value of the educational resources and support services that we deliver to the prostate cancer community at no charge. Us TOO had a change of leadership as we entered 2014, as all of the members of the executive committee transitioned off of the board of directors at the end of 2013. We extend our thanks and appreciation to former Us TOO Chairman Kay Lowmaster, former Vice-Chairman Dave Houchens, former Secretary Howard Kaczmarek, and former Treasurer Jean Jeffries.

We welcomed the new roster of officers starting their term in 2014 with Us TOO Chairman of the Board Jim Rieder, Vice-Chairman Jeff Mills, Treasurer C. Todd Ahrens, and Secretary Bill Seidel. Also included on the new executive committee was President & CEO Tom Kirk, celebrating his 10th anniversary in that role. Other newly elected Us TOO board members who began serving in January 2014 were Jerry Deans, Keith Hoffman, Jim Naddeo and Fred Allen. There were two vacancies on the board during 2014.

The New Year began with the relocation of the Us TOO corporate office, following the planning process and location search that began in 2013. Slightly smaller and more economical than our former space, our new location in Des Plaines, IL, is adjacent to O’Hare Airport and major expressways for easier access.

After months of planning and preparation, we launched the redesigned Us TOO website in November, which included updated branding of the Us TOO logo with the clarifying question, “Affected by prostate cancer? Us TOO.” Prostate Cancer News You Can Use was reinstated for monthly distribution to supplement the Us TOO Hot SHEET monthly newsletter. Educational resources and support services were expanded with the addition of 13 new support groups and more than 80 volunteers to help respond to callers from the HelpLine. The roster of educational events included an imaging seminar in Chicago, webcasts, “Community Conversation on Prostate Cancer” in Atlanta, GA, and an Us TOO regional town hall meeting in Sarasota, FL.

We began implementing semi-annual fundraising campaigns utilizing printed greeting cards combined with a series of emails. We also presented the 10th Annual Chicago SEA Blue Prostate Cancer Walk & Run with UroPartners in addition to Wellness Place, which decided to close its doors at the end of the third quarter. Volunteers across the country stepped up to help support the work of Us TOO with funds raised from golfing and swimming, to bartending and beard shaving, concerts and car shows. We also recognized the impact of the work of several standout volunteers by honoring them with the Edward C. Kaps Hope Award at our December board meeting.

We ended 2014 with the annual revenue slightly exceeding deficits by controlling expenses and increasing fundraising activities, campaigns and events.

On behalf of the men, spouses/partners and families we have helped in their battle with prostate cancer and those we will help, we extend our sincere thanks and appreciation. This organization could not exist without all of the volunteers, corporate sponsors and private donors who help Us TOO fulfill our mission to be the leading prostate cancer organization helping men and their families make informed decisions about prostate cancer detection and treatment through support, education and advocacy.

Sincerely,

Jim Rieder
Us TOO Chairman of the Board

Thomas Kirk
Us TOO President & CEO
Us TOO Board of Directors

Officers

Chairman: James L. Rieder – POWELL, OH
Vice Chairman: Jeff Mills – ATLANTA, GA
Secretary: Bill Seidel – FORT WAYNE, IN
Treasurer: C. Todd Ahrens – HANNIBAL, MO
President & CEO: Thomas N. Kirk – NORTHFIELD, IL
Immediate Past Chairman: Kay Lowmaster – PITTSBURGH, PA

President & CEO: Thomas N. Kirk
Office Manager: Jackie Konieczka
Chapter Services Manager: Terri Likowski
Director of Development & Fundraising: John Lupton
Director of Marketing & Communications: Chuck Strand
2013/2014 Strategic Initiatives

The following action items and initiatives were approved in the strategic plan for execution in 2013 and 2014.

1. EDUCATION: Improving on developing Us TOO education services
   - Develop new materials and webinar sessions to empower the prostate cancer community.

2. DIGITAL: Updating the Us TOO website and digital communication tools
   - Gather donor support to reorganize and update the Us TOO website (last re-launched in 2005) through participation of volunteers, staff and experts.
   - Evaluate effectiveness and modify electronic communication tools and services such as Prostate Pointers, Facebook, etc.

3. NETWORKING: Improving and expanding the network of community chapter/support groups
   - Take steps to foster more ownership by volunteers in Us TOO through Us TOO University.
   - Take steps to activate current groups and add more groups to the Us TOO network.
   - Assist in local fundraising efforts to expand services.

4. ADVOCACY: Enhancing cancer advocacy efforts
   - Focus more on helping underserved populations.
   - Deepen and expand collaborations.
   - Develop advocacy information mechanisms to alert volunteers.

5. FUNDING: Raising more money to serve more of the growing number of people affected by prostate cancer
   - Collaborate with local Us TOO groups to develop goals.
   - Expand awareness/fundraising efforts currently in place.
   - Seek support from new donors and recognize their help.
   - Let more people know we need help and what we do to help others.

6. OUTREACH: Expanding the Us TOO reach so people can find Us TOO more easily
   - Identify and engage more local activists.
   - Raise the visibility of Us TOO and the peer support approach to helping others.
   - Engage the help of medical professionals to reach more people.

7. BRANDING: Exploring the benefits and challenges of Us TOO’s unique organizational identity and corporate name
   - Gather information on the name and determine steps to improve recognition of Us TOO and the services we have available.
Delivering Educational Resources

The **Us TOO website** was redesigned and activated in November as a deliverable of the strategic plan for education and digital initiatives. It retains all of the information found on the former website and features a more user-friendly experience with an intuitive navigation path to access most content within two levels or "clicks." The main page provides multiple opportunities for visitors to immediately take action and get connected to information and resources that support the mission of Us TOO as the leading prostate cancer organization helping men and their families make informed decisions about prostate cancer detection and treatment through support, education and advocacy.

**Us TOO Regional Leadership Town Hall Meeting** in Sarasota, FL, on November 20th provided the platform to deliver educational content and engage local activists through outreach. The event addressed advancing the collaboration among chapters, support groups and the Us TOO home office in the areas of program, awareness and fundraising; and we welcomed former ACS Man to Man support groups into the Us TOO network and mapped the plan for growing the Us TOO Southeast Region chapter and affiliated support groups. Thank you to event sponsors Dendreon, Sanofi, Endo, Takeda/Millennium, and Pints for Prostates; and to host Ginya Carnahan with the Datolli Cancer Center & Brachytherapy Research Institute, and to Steve and Iris Gordon, Us TOO Sarasota chapter leaders.

Additional strategic initiatives that focused on education included hosting a free conference on imaging in partnership with PCRI and the Society of Nuclear Medicine and Molecular Imaging at Northwestern University in Chicago on Saturday, July 26th. Physician presentations on the latest in targeted therapy and imaging featured Dr. Aytekin Oto from University of Chicago discussing his work with multiparametric prostate MRI.

Us TOO presented a **Community Conversation on Prostate Cancer** on August 9th in Atlanta, GA. This event combined education with advocacy and outreach to the local African American community with information and free PSA and DRE testing. Close to 200 people attended and more than 150 men were tested. Thanks to TEVA Oncology, Radiotherapy Centers of Georgia, Bayer and AbbVie for their support; and thanks to Greg Bolden and Frank Catroneo for organizing the event.

The **Us TOO** Sarasota group leader Steve Gordon, Tom Kirk, Paul Katz, and Dr. Alan Treiman, founder of the Us TOO Sarasota Chapter.

Former Us TOO Vice-Chairman of the Board Dave Houchens, and his wife, Kathie, from Columbus, Ohio.

Steve Gordon and Us TOO Sarasota support group co-leader Ginya Carnahan were presented with a certificate of appreciation from Tom Kirk.
Delivering Educational Resources

During the year we also collaborated with ZERO on two prostate cancer education webinars.

Additional educational content was developed for advanced disease management. We worked with Astellas/Medivation to develop the brochure, *Empower Yourself with Knowledge*, as a supplement to the Advanced Prostate Cancer Kit. An updated edition of the *Bone Health in Focus* brochure was funded by AMGEN. Both brochures were distributed in print and featured on the Us TOO website for digital access. Advanced disease and bone health was the focus for Tom Kirk during a satellite media tour broadcasted on more than 20 TV and radio stations across the country.

Us TOO continued to publish the monthly *Hot SHEET* newsletter and distribute it digitally and in print. Feedback from readers indicates that the *Hot SHEET* serves as a valuable source of education and the content of each issue often serves as the agenda for conversations at support group meetings.

Prostate cancer educational information about research studies, clinical trials and conferences, in addition to advocacy and outreach initiatives were highlighted in emails sent twice each month with the *Hot SHEET* and *News You Can Use*. All electronic communication was also featured on social media through Facebook pages for Us TOO and SEA Blue and twitter feeds along with blog posts on the Inspire online prostate cancer community hosted by Us TOO.

Us TOO reinstated monthly distribution of *Prostate Cancer News You Can Use* to the entire Us TOO data base free of charge. It’s a compilation of some of the most relevant news articles selected by Us TOO from the RSS news feed.

Additional outreach to provide education, support, advocacy and collaboration included the continuation of Us TOO hosting Prostate Pointers, a moderated email exchange categorized by 14 topics. We also distributed a new edition of the *Chapter News* and continued work with the Prostate Cancer Roadmap website in collaboration with Janssen.
## Providing Support Services

### Added 13 new support groups to the Us TOO network:

- Roseburg, Oregon
- Asheville, North Carolina
- Boulder, Colorado
- Phoenix, Arizona
- Mount Holly, New Jersey
- Birmingham, Alabama
- Jackson, Michigan
- Panama City, Florida
- Fort Collins, Colorado
- Centralia, Washington
- Salt Lake City, Utah
- Yakima, Washington
- Gilbert, Arizona

With a focus on education and outreach, we recruited more than 80 volunteers for the Us TOO HelpLine (800-808-7866) and categorized them by treatment and side effects they are managing. This second level of responders provides Us TOO with the ability to match a caller with a volunteer in a similar situation for a one-on-one conversation providing more specialized support and education.

Us TOO recognized the incredible impact of eight stand-out support group volunteers by presenting them with the Edward C. Kaps Hope Award during the December board meeting. The award’s namesake was one of the founders of Us TOO International, an original board member, and director emeritus. This award underscores the value of establishing real hope in the battle with prostate cancer as a result of Us TOO volunteers sharing educational information and providing support services.

The home office organized and conducted a Chicagoland planning meeting of prostate cancer community members and support group leaders in May to discuss Chicago area activities given Russ Gould’s passing in December of 2013.

Edward C. Kaps Hope award winners *(standing, left to right)* Rick Davis, Dominic Marrese, Andy Mong, and Joe Dickey. *(Seated, left to right)* Patrick Fisher, Bob Wright, Tom Kirk *(received 10-year Us TOO leadership award)*, and Roy Francis. *(Not pictured)* Hope award winner Jim Kiefert.
Furthering Prostate Cancer Awareness and Advocacy

Although the focus at Us TOO is primarily on prostate cancer education, support and advocacy, we also impact research through our ongoing involvement in the Department of Defense (DoD), Congressionally Directed Medical Research (CDMRP) Prostate Cancer Program (PCRP). Thanks in part to our advocacy efforts, Congress appropriated $80 million for the PCRP for FY14. Many survivors in the Us TOO network have also served as DoD consumer reviewers.

While the Early Access committee on Prostate Cancer (EAP) was not as active in 2014, Us TOO was involved in attending meetings as a representative on several corporate advisory groups, and at leadership and advocacy meetings at the PCRI conference, AUA, ASCO and ASCO-GU, NHC, NCCS and NCCN.

Branding

Logos and messaging were developed to address branding as another initiative in the strategic plan. To clearly and quickly communicate the core need addressed by the services of Us TOO, the logo was redesigned with new branding to include the question, “Affected by prostate cancer?”

In late 2014, a logo was also created to recognize 2015 as the 25th anniversary of Us TOO International. The design includes the theme “Take action, get connected,” which builds on “From passion to action,” the theme from the Us TOO 20th Anniversary in 2010.
**Raising Awareness and Funding**

We began implementing semi-annual fundraising campaigns consisting of a professionally designed and printed greeting card, an e-card, and a series of emails to provide multiple opportunities for donors to contribute in recognition of the value that Us TOO delivers to the prostate cancer community with educational initiatives and support services provided at no cost. The spring campaign was in May/June and the holiday campaign took place during November/December. Thank you to all support group leaders who participated in sending cards to their local network and to all who donated.

During prostate cancer awareness month in September, Us TOO partnered with Wearever men’s incontinence briefs to generate a donation to Us TOO with every purchase.

Other September initiatives that raised money or awareness for Us TOO and prostate cancer included the Cars for Cancer car show in Webster, NY; Prostate On-Site Project in Tempe, AZ; the Quad Cities Marathon 1 Mile Walk for Prostate Cancer; and Georgia high schools’ participation in Prostate Cancer Awareness Week with football players wearing blue ribbons on all helmets, referees using blue penalty flags, coaches sporting blue wristbands and fields displaying blue ribbons! We sure appreciate all of the grassroots support – thank you!

Dr. Keith and Sandy Bell raised more than $1,600 for Us TOO at the 12th Annual Cap 2K swimming event in Austin, TX; and Brittanie LaDuke brought in more than $1,000 from the Beard Free Shave Off in Livonia, MI. Strokes for Hope annual golf outing was organized by Tracy Cameron with Advanced Urology Associates in Joliet, IL. And the 10th Annual Bachelor Classic golf tournament teed off in Sellersburg, IN, with co-chairs Matt Walt and Matt Zinser. Thank you to all!
As a thank you for the SEA Blue fundraising support in 2013 and to kick-off the 2014 SEA Blue event, Wellness Place, Us TOO and UroPartners hosted an intimate gathering in February sponsored by UroPartners for some of the top SEA Blue sponsors and fundraising team leaders.

A prelude to the SEA Blue walk, Us TOO hosted the Buddy Guy’s Legends Blues Benefit Concert and Live Auction on September 4th in Chicago. The event was hosted by SEA Blue emcee and WGN-TV anchor Steve Sanders with a performance by the NuBluBand featuring Buddy Guy’s daughter, Carlise Guy! Our thanks to Astellas/Medivation for sponsoring the event in addition to Steve Sanders, NuBluBand, Buddy Guy, his family and all of the staff who made the event a success!

The 10th Annual SEA Blue Chicago Prostate Cancer Walk & Run was held on September 14th at Lincoln Park in Chicago. Blue skies prevailed over more than 1,200 event participants. Thank you to corporate supporters, walkers, runners, donors and volunteers for a successful event.

Continuing the momentum of SEA Blue, Us TOO board member Tom Cvikota and his son, Lucas, served up drinks including a SEA Blue cocktail with a portion of all sales benefiting Us TOO at the SEA Blue Cocktail Fundraiser on September 22 at Il Poggiolo in Hinsdale, IL.

Wellness Place, the 10-year partner organization working with Us TOO on the Chicago SEA Blue Walk & Run event, decided to close its doors at the end of the 3rd quarter.
Us TOO International is a nonprofit organization that serves the prostate cancer community by providing educational resources and support services at no charge. Established in 1990, the organization will be celebrating its 25th anniversary in 2015. Us TOO was founded by—and continues to be governed by—people directly affected by prostate cancer.

The mission of the 501(c)3 is to be the leading prostate cancer organization helping men and their spouses/partners and their family members make informed decisions about prostate cancer detection and treatment through support, education and advocacy.

Us TOO offers real hope to those battling prostate cancer by providing opportunities to gain the knowledge that’s necessary to take control of managing the disease through an arsenal of resources that include:

- Us TOO website (www.ustoo.org)
- Chapter/support group services for more than 300 volunteer-led support groups throughout the U.S. and abroad
- Online communities (Inspire and Prostate Pointers)
- Toll-free Us TOO Prostate Cancer HelpLine (1-800-808-7866); including matching callers with similar survivors for one-on-one conversations
- Monthly HotSheet newsletter
- Frequent News You Can Use updates and articles
- Chapter News
- Educational content – digital and printed
- Educational events and presentations
- Awareness through special events like the SEA Blue Chicago walk/run and numerous local events across the country

Please visit www.ustoo.org for more information or to donate.

The Us TOO Chapter/Support Group Revenue and Expenses may not be fully included in the Us TOO International, Inc. financial audit conducted by Calibre CPA Group, PLLC. The majority of Us TOO chapters are small community groups that do not solicit or raise funds. Information was received from 50 chapters reporting for the calendar year 2014, ending December 31, 2014. The groups in Greenville, SC, East Amherst, NY, and New York City, NY, reported revenues and expenses that appear in the 2014 audit under Chapter Revenue and Expense.

The unaudited activities submitted by the chapters summarize the revenue and expense activity of their group. The compilation report was compiled from the 55 groups reporting income and expenses and was combined into a report by the Us TOO staff for management reporting purposes and is listed above under Us TOO chapters. The accounting practices of the local chapter groups are not necessarily the same practices followed by the Us TOO International home office.
