

**Us TOO
Director of Development
Des Plaines, IL**

Us TOO International offers a lifeline to men and their families affected by a prostate cancer diagnosis. Us TOO serves this vital role by providing comprehensive educational resources, support services and personal connections to the prostate cancer community. This includes a network of more than 200 volunteer-led support groups in the U.S. and abroad. Best of all, these resources are available at no charge.

Us TOO is ready to embark on an ambitious new fundraising campaign to expand their impact. The organization is seeking to hire its first full-time Director of Development who will work closely with the CEO and Board of Directors to grow the current annual revenue of ~\$900K by expanding major gift fundraising and foundation support. Candidates for this position will have a growth mentality for expanding the reach of the organization into untapped resources.

Prostate cancer affects one in nine men. Nearly 30,000 men died of the disease last year and approximately 3 million men in the U.S. are living with a prostate cancer diagnosis. That number is estimated to increase to more than 4 million by 2024.

Since it was established in 1990, the need for Us TOO has never been greater. The Director of Development at Us TOO will have a unique opportunity to join a small but mighty team of professionals doing purposeful work that makes a positive difference in thousands of lives.
