Prostate cancer survivors and caregivers sharing their personal journeys

Attendees will receive a voucher for a free PSA test at a future Prostate On-Site Project event.

Hosted in collaboration with the Us TOO Arizona support groups, this event will present valuable information for men with prostate cancer, and their spouses or partners, in addition to anyone interested in learning more about this disease. This year more than 160,000 men in the U.S. will be diagnosed with prostate cancer, which has no symptoms until it is advanced, and approximately 28,000 men will die from the disease. It's the second most common cause of death from cancer in men (following lung cancer).

FREE event open to the public.

FREE prostate-healthy/heart-healthy lunch.

FREE parking.

ON SITE REGISTRATION: Begins at 9:00am

PROGRAM: 10:00am – 3:00pm

Please note that space is limited.

For early registration and to RSVP for FREE lunch, email Terri Likowski at terril@ustoo.org or call 877-978-7866
