The SEA Blue Chicago Prostate Cancer Walk & Run on 9/11 is quickly approaching! If you haven't already registered, please do so today at <http://www.ustooevents.org/site/R?i=QPYtSuYNqThu6Nwv5uxixA>. As you will read in the Jerry Deans SEA Story below, the event is a celebration of the advancements achieved by the prostate cancer community through survivors, support group leaders, advocates, researchers and corporate sponsors. It is also a tribute to those who have lost their battle with the disease and a reminder that there is still much for us to do. All funds raised from SEA Blue will benefit Us TOO, a prostate cancer nonprofit that provides educational resources and support services to the prostate cancer community at no charge.
